WHAT LOVE DISPLAYED

CAPO 2 | *F* INTRO 1 C 1 C | G What love displayed, Ye sons of men, VERSE 1 By Jesus Christ, the King. He came to be our substitute: Eternal life to bring. Not for the righteous did He come To suffer on the tree, But for the wretched, sinful ones: He bled for you and me. What confidence, Ye purchased ones, VERSE 2 Of our salvation won. The Spirit is our guarantee: Adopted, and called sons. Am7 Soon, He who raised our blessed Lord, Christ Jesus, from the grave Will raise us too, by that same pow'r, Unto His glorious praise.

What hope we have, Ye sons of God,
VERSE 3
         For Heav'n's eternal day.
         Afflictions pale in that great light:
         Our earthly sorrows stayed.
         For momentary light distress
              Am7
         Can never be compared
         With Christ's reward, which waits for us:
         His glories then to share.
         What joy we'll have, O watchful saints,
VERSE 4
         When Jesus comes again.
         Death swallowed up in victory;
         The pow'r of sin will end.
             Am7
         We see in part, within this veil;
         We strain with eyes of faith.
         But when He comes, we'll be like Him,
              Am7
         And see Him face to face.
